

Start something nothing can stop.

Jesus said, "I will build my church and the gates of hell will not overpower it."

Matt. 16:18, NAS Bible

NEEDY. That's right... needy. Not in material terms, but morally and spiritually, Europe is adrift and in need of an anchor.

Europe is filled with churches-- often empty, abandoned or converted into museums, restaurants and shops.

Take away the beautiful church buildings and you'll be hard-pressed to see any hints of Christianity. Sadly, most Europeans don't have a life-changing relationship with Jesus or know anyone who does.

GREATER EUROPE MISSION

is committed to seeing God's Kingdom spread through all the peoples of Europe to the world as we follow Jesus and lead others to do the same.

We believe the best way to do this is by reproducing networks of simple churches in Europe that will spread relationally through Europe and advance God's Kingdom throughout the world.

Want to see the unstoppable spread of the Gospel around the world?

Reach
EUROPE.

EUROPE IS:

INFLUENTIAL. Its economics, education, politics, philosophies and culture shape modern life and thought. Imagine what would happen if that influence could be harnessed to extend God's Kingdom in the world.

CONNECTED. Europe's cities, through their diverse populations and activities, produce connections with individuals and cultures from around the world.

STRATEGIC. Economic migration from other EU countries, plus an influx of immigrants from 10/40 window countries, create unprecedented opportunities to disciple the nations.

IMMEDIATE, COSTLY OBEDIENCE

GEM wants to mobilize and activate disciples of Jesus who want to leverage their time and talents to make disciples among the peoples of Europe. How that looks will depend your abilities and availability.

*What is God calling you to do to extend His Kingdom?

REACH EUROPE. CHANGE THE WORLD.

PRAY. Pray for the peoples of Europe. Pray for a movement of rapidly reproducing churches that show and share the Good News of life and forgiveness through Christ. Pray for more workers to lay down their lives for the sake of Europe.

GIVE. The strategic placement of catalytic leaders and teams in key places around Europe is vital to sparking church planting movements. Financial support from people like you make it possible.

GO. Take a good look at your training, experience and passion. Then ask how God might use them to reflect Jesus in ways that would draw others to do the same. It could be for a few weeks, a few months or for years to come.
